

GROWING TO BETTER SERVE YOU.

Hotel Dieu Shaver Welcomes DR. BASI

Dr. Simran Singh Basi, MD, FRCPC, CSCN Diplomate (EMG)

Dr. Simran Singh Basi graduated in 2016 with a Postgraduate Degree in Physical Medicine and Rehabilitation from McMaster University after completing his Medical Degree in 2011 at McMaster University. Dr. Basi's clinical interests include Electrodiagnostic Medicine, Orthopedic and Stroke Rehabilitation as well as general physiatry. Dr. Basi will be the Director of the newly established Electrodiagnostic Medicine Department at the Hotel Dieu Shaver which will accept both inpatient and outpatient referrals.

Dr. Basi is originally from Rexdale, Ontario and currently lives in Burlington with his wife. In his spare time, Dr. Basi enjoys spending time with his family, swimming, listening to music and volunteering in the community.

Dr. Omar Khan, BSc, MD, FRCPC

Dr. Omar Khan has been practicing Physical Medicine and Rehabilitation at Hotel Dieu Shaver for 10 years. Dr. Khan specializes in Spasticity, Focal Dystonia, Pain Sports Medicine, Musculoskeletal Rehab and does independent medical evaluations within his Outpatient practice. Dr. Khan provides Inpatient Rehabilitation Medicine consultations within Hotel Dieu Shaver's Interdisciplinary Rehab Management Program. Dr. Khan is interested in "Point of Care" Management using ultrasound as a tool to guide injections (injection therapy). He also has special training in Botulinum Toxin (Botox) Therapy.

Dr. Khan is from Niagara and has a passion for giving back to Niagara through Sports Medicine. He enjoys riding his motorcycle, playing his guitar and singing. In his spare time, Dr. Khan enjoys the Martial Arts, Karate and Kick Boxing.

Dr. Rick McMillan, BSc. Kinesiology, MD, FRCPC

Dr. Rick McMillan has been practicing Physical Medicine and Rehabilitation at Hotel Dieu Shaver for 17 years. He is a general physiatrist for all populations and is interested in Stroke and Amputee Rehabilitation. Dr. McMillan is passionate about improving awareness and educating physicians in rehabilitation.

Dr. McMillan's method of care involves looking at the whole person - a holistic approach to care. He is incredibly proud to be a member of the Hotel Dieu Shaver family as the hospital uses a multidisciplinary and team approach in caring for its patients. Dr. McMillan also teaches at the Michael G. DeGroot School of Medicine at McMaster University. In Dr. McMillan's spare time he enjoys spending time with his family, exercising and painting watercolours.

Dr. Paul Stacey, MBBS, MSc, FRCPC

Dr. Paul Stacey graduated in 2015 with a Post Graduate Degree in Physical Medicine and Rehabilitation from McMaster University having completed his Medical Degree in 2008 at the University of Sydney. Dr. Stacey spent two years at North Sydney Central Coast Area Health Service in Australia and one year post-residency as a clinical scholar in Pediatric Physiatry at McMaster Children's Hospital in Hamilton. Dr. Stacey's interests include Orthopedic and Stroke Rehabilitation, Spasticity, Cerebral Palsy and Pediatric Physical Medicine and Rehabilitation. He is also interested in transition from childhood to adulthood in people with chronic disabilities.

Dr. Stacey is originally from Hamilton and currently lives in Pelham with his four children. In his spare time, Dr. Stacey enjoys hiking, mountain biking and the Martial Arts.
